

## How to set up your twlakes.net email on your iOS Device (iPhone and iPad)

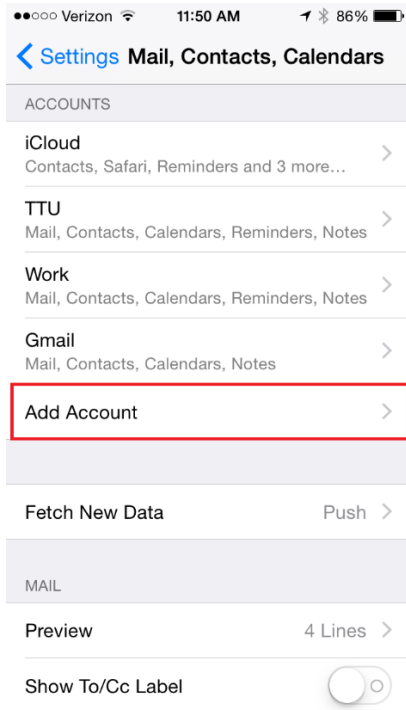

1. On the Home Screen located and open the Settings application.

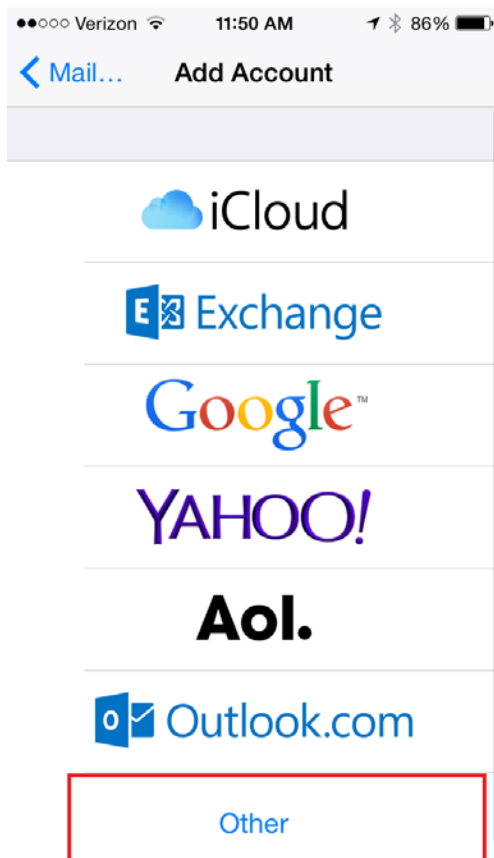

2. Once in the Settings application, locate and open the Mail, Contacts, Calendars menu.

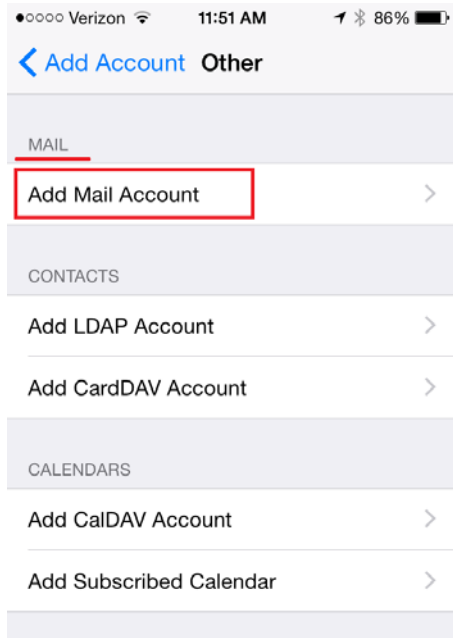

3. Next, open the Add Account menu

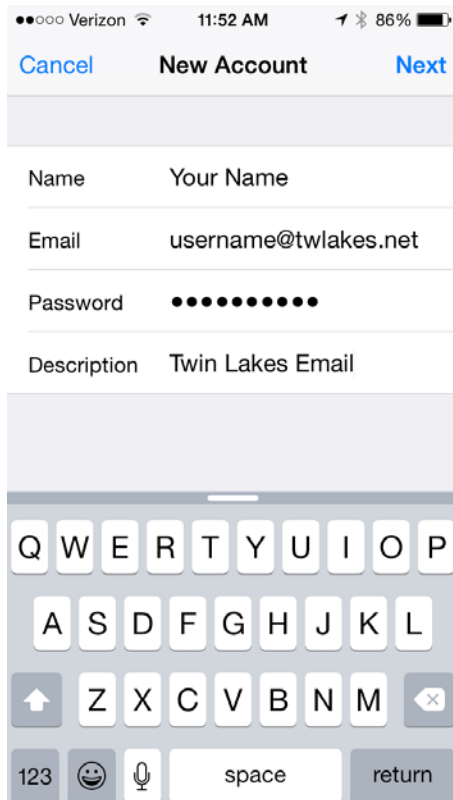

4. Once in the Add Account menu, select Other.

5. Under Mail, select Add Mail Account menu.

6. Next, type your Name, Email, and password into the field provided.

7. Next, select POP and the top of the page.

The screenshot shows the 'New Account' setup screen. At the top, there are 'Cancel', 'New Account', and 'Save' buttons. Below this, there are two radio buttons: 'IMAP' and 'POP'. The 'POP' button is highlighted with a red box. Below the radio buttons, there are several fields: 'Name' with the value 'Your Name', 'Email' with the value 'username@twlakes.net', and 'Description' with the value 'Twin Lakes Email'. Below these fields, there are two sections: 'INCOMING MAIL SERVER' and 'OUTGOING MAIL SERVER'. The 'INCOMING MAIL SERVER' section has fields for 'Host Name' (mail.example.com), 'User Name' (Required), and 'Password' (represented by dots). The 'OUTGOING MAIL SERVER' section has a field for 'Host Name' (smtp.example.com).

8. Scroll down until you locate **Incoming Mail Server**. In the Host Name field enter **mail.twlakes.net**

In the User Name field, enter your User Name. (Your user name is located in front of the “@twlakes.net” part of your email. In the Password field, enter your account Password.

The screenshot shows the 'New Account' setup screen with the 'Incoming Mail Server' section highlighted by a red box. The 'Host Name' field is filled with 'mail.twlakes.net', the 'User Name' field is filled with 'username@twlakes.net', and the 'Password' field is filled with dots. Below the 'Incoming Mail Server' section, there is the 'OUTGOING MAIL SERVER' section. At the bottom of the screen, a QWERTY keyboard is visible.

9. Scroll down until you locate **Outgoing Mail Server**. In the Host Name field, enter **smtp.twlakes.net**

In the User Name field, enter your User Name. In the Password field, enter your password.
